The Elves' Winter Holiday Program

Elves brighten the holiday season for children in need in area schools as identified by school nurses and social workers

- Children receive all items on our checklist: new clothing and toys
- Cost is about $150 per child
- Anyone can become an Elf, including those not affiliated with Cornell
- Office teams, families and student groups can sponsor a child together
- No religious affiliation
- No overhead costs to this program (meaning 100% of your donation is used to benefit local children)
- Each year, The Elves sponsor approximately 1,000 children in 40 area schools

If you would like to sponsor a child contact Bill Alberta, wna1@cornell.edu or any Elf Leader (see website for leader list by school) elves.cornell.edu
